

Middleweight Interior Designer

Location: 49 Southwark Street, London, SE1 1RU

Reporting to: Senior Interior Design Team / Creative Director

About the Role:

We are looking for a **highly creative and technically proficient** Middleweight Interior Designer to join our team. This role requires experience in **hospitality design**, with a strong background in **concept development, space planning, and technical delivery**. The ideal candidate will be able to take ownership of design tasks, work collaboratively with the wider team, and play a key role in bringing projects to life. Expertise in **SketchUp is essential**, as it is a core tool for our design process, and the ability to render models in **Enscape** is a strong advantage.

Additionally, **on-site experience is crucial**, as this role will involve overseeing site implementation, liaising with contractors, and ensuring the successful delivery of projects.

Key Responsibilities:

- Lead the development of design concepts for hospitality spaces, from initial sketches to fully realised 3D models.
- Create detailed SketchUp models to accurately visualise spaces and communicate design intent.
- Render SketchUp models in Enscape (bonus) to produce high-quality visuals.
- Prepare and present mood boards, material palettes, and FF&E specifications.
- Produce technical drawings and detailed design documentation for construction and fit-out.
- Conduct site visits to oversee project progress, ensure design integrity, and solve on-site challenges.
- Work closely with contractors, suppliers, and project managers to deliver projects on time and within budget.
- Research new materials, furniture, and finishes to ensure innovative and high-quality design solutions.
- Mentor junior designers and contribute to team development.

Skills & Experience:

- A degree in Interior Design, Architecture, or a related field.
- Hospitality design experience is essential, with a strong understanding of the sector's requirements.
- Advanced proficiency in SketchUp – must be comfortable using it for detailed modelling and presentations.
- Experience with Enscape rendering is a strong bonus.
- Strong knowledge of AutoCAD, Adobe Creative Suite, and rendering software.
- Proven on-site experience, with the ability to liaise with contractors and problem-solve on the spot.
- Solid experience in producing technical drawing packages.
- Excellent understanding of materials, finishes, and FF&E for hospitality environments.
- Strong project management skills and ability to work independently.
- Effective communication skills, both visual and verbal, with the ability to present ideas confidently.
- A passion for design, innovation, and staying ahead of industry trends.

Hours

- **Full time** - 5 days a week - 9am - 5.30pm (1 hour for lunch)
- Monday & Friday work from home. Tuesday/Wednesday/Thursday work from the 3S office.

To apply, please email your cover email, CV and portfolio to jobs@3stories.co.uk with the title 'Middle Weight Interior Designer Application'.
